

9v9 Match Rotation Guide – Coach Handbook

This handbook outlines a simple substitution system designed to ensure fair playing time while keeping match management easy for coaches. Substitutions occur every **8 minutes** and players remain in their assigned positional groups.

Objectives

- Provide approximately equal playing time for all players
- Maintain positional consistency for player development
- Minimise disruption to the flow of the game
- Provide coaches with a clear and simple rotation structure

Team Structure

Teams play in a 9v9 structure with:

- **3 Attackers**
- **2 Midfielders**
- **4 Defenders (including the goalkeeper)**

Players remain in their positional group for the entire match and rotate only with players from the same group.

Goalkeeper Rotation

Two players rotate as goalkeeper:

- Goalkeeper 1 plays the entire first half
- Goalkeeper 2 plays the entire second half

In the half where they are not goalkeeper, they rotate normally within the defender group.

Substitution Timing

Substitutions occur every **8 minutes** at the following intervals:

0–8 | 8–16 | 16–24 | Halftime | 25–33 | 33–41 | 41–49

The number of players substituted depends on squad size.
