PLAY PRACTICE PLAY

SO CHANGE IT

SO CHANGE IT

To ensure every player is engaged, both achieves success and is stretched, coaches are encouraged to use the SO CHANGE IT acronym.

Making modification to play and practice enables differentiated learning. Learning that is specific to each individual.

S	SAFE Physically free from hazards and danger. Emotionally safe and supportive environment.
O	OBSERVE Is everything set up as you would like? Does it look like football? Is everyone engaged?
C	COACHING STYLES How do you speak to the players? Too much/too little talk? Positive engagement.
H	HOW TO SCORE Do they know how to score/get points? Goals involved, number of passes, end zones.
A	AREA Does the area size suit the players/activity/game? Increase or decrease accordingly.
N	NUMBERS Even or uneven? Do the teams need changing to maximise participation?
G	GAME RULES Change rules to engage everyone. Only tackle from in front, if Sarah scores = 3 goals.
E	EQUIPMENT Different coloured cones and bibs. Lots of footballs, more goals, bigger/smaller goals.
I	INCLUSION Everyone involved and engaged. Give every player a little bit of your time.
T	TIME Reduce or extend time to increase motivation and enjoyment. Add time limits to score.
