

UQFC - U9-U13 - Counter Attacking - Session 2

Category: Academy: Counter/Reactive pressure

Difficulty: Moderate

Liam Mulcahy, Brisbane, Australia

Description

Principle: Counter Attacking

Behaviours: Breaking Forward Quickly

Why? To take advantage of the opposition's organization; Create goal scoring opportunities quickly

Rondo - Transfer (20 mins)

Rondo 3v2+1

Area - Rectangular (two areas)

Time - 6 x 2 minutes with 2 x 30-second Dual Force/Speed Agility exercises between two sets

Action - Counter Attack

Behaviour - Breaking forward at speed together

Organisation - Two equals teams with one neutral in each square.

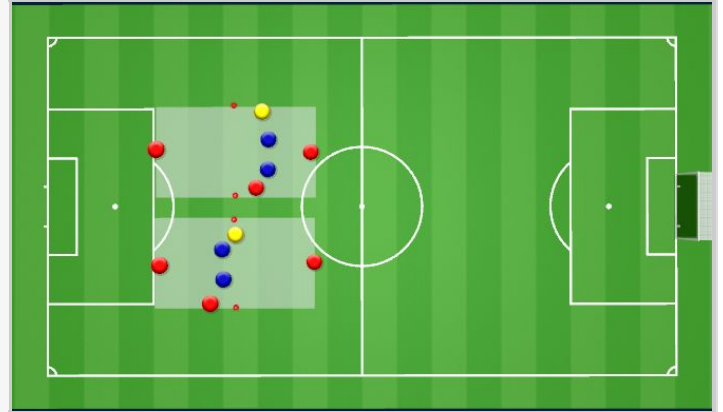

Rules:

- Normal Rondo Rules (4v2 incl. yellow neutral) except - When the defenders win the ball, the neutrals (yellow) joins in their team to create a 3v3. Defenders aim to dribble the ball outside the square for a point.
- Attackers 10 catch for a point.
- Add up points and swap roles.
- Last two rounds - On Coaches whistle, defenders swap with their team-mate.

Coaching Points: Observe and question during natural rest-break.

- React quickly when changing of possession.
- Quickly look to see where the easiest option to go away from pressure.
- Help find the overload quickly.

Water Break: 5 min

Positional Game (25 mins)

Positioning Game 5v3

Area - Central area of the half-pitch (as illustrated)

Time - 4 minutes, 2-minute recovery in between, do three sets

Action - Counter Attack

Behaviour - Breaking forward at speed together

Rules:

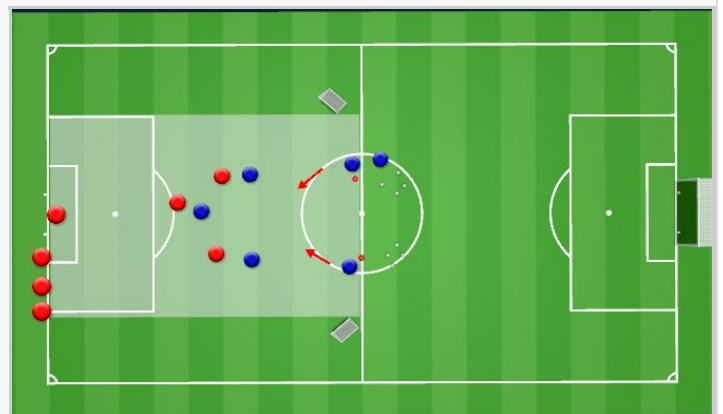

- 5 blue attackers v 3 red defenders + GK inside the red central area
- Blue attackers score in the big goal, defenders into one of the small goals
- Play starts with a black player passing to the other near the halfway line, then into a black player inside the red area
- Blue have 5 seconds to score after receiving the ball in the red area, all attackers then recover back to starting positions
- Defenders change out after two attacks
- Rotate the attackers every set with the defenders

Coaching:

- Encourage quick and direct attacking play - Asking questions on why we want to do this.
- Flood with **numbers, width, depth and connectivity (if 5 players going)**.
- Direct all attackers to finish inside the 18-yard box (flood)
- Allow attackers to restart the counter-attack if the ball goes out of the red area in the second and third sets

Water Break:

5 minutes

Game (30 mins)

Medium Sized Game 5+GK v 5+GK

Area - full width and length of half-sized pitch (cut-off corners)

Time - 12 minutes with 2 minutes rest in between, two halves

Action - Counter Attack

Behaviour - Breaking forward at speed together

Rules:

- Both teams score into the big goals
- If a team scores on a counter-attack and within 10 seconds, reward them with a double goal

Coaching:

- Encourage when counter attacking occur. Using **flood** messaging
- Use the two-minute break between halves to ask player how they can flood as a team whilst prevent the other team from doing the same thing (Hidden Learning)
