

UQFC - U9-13 - Defensive Block - Session 1

Category: Academy: Low-block and press

Difficulty: Moderate

Liam Mulcahy, Brisbane, Australia

Description

Main Principle: Defensive Block

Behaviour: Compact defence waiting to steal the ball.

Moments:

When the opposition or ball enters our half

As the opposition enters our defensive third

4v2 Rondo (20 mins)

Rondo 4v2 10x8m (3v1 (8x5m))

Area - Rectangle shape

Time - 3 x 4 minutes with 2 x 30-second Dual Force exercises between sets

Action - Defending

Behaviour - Compact, wait, steal the ball

Rules:

- First round, if a defender touches the ball, they drop their bib and become an attacker
- Second round, a defender needs to steal the ball and dribble outside the area, drop the bib and become an attacker
- Third round, the attackers can now steal the ball back when the defender tries to dribble out of the area

Dual Force - First Round

- Gang up, players need to put each other outside the area together, once out, a player can return (30 seconds)
- Gang up 2, as above, but now we want the last man standing

Dual Force - Second Round

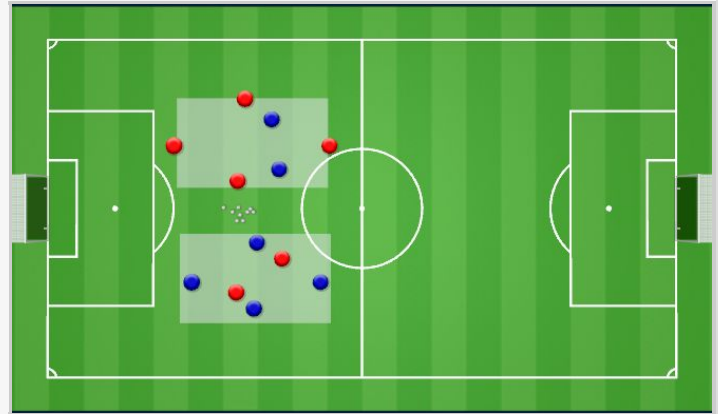

- King of the Ring, ball each, once your ball is out, you can steal back another from other players and play until one player remains
- with the ball, play two or three rounds

Coaching:

- Observe players compacting space, waiting then stealing the ball
- Ensure players do not leave the ground and are patient when defending

Water Break:

Duration 4-minutes

Rondo - Transfer (25 mins)

Positioning Game 2v2+2 (1v1+2 or 1v2+2 for 7-a-side)

Area - 25x15m

Time - 3 sets of 10 minutes with a three-minute rest in between

Action - Defending

Behaviour - Compact, wait, steal the ball

6x2 min games

Rules:

- Aim is for the attacking team to progress the ball from oneside to another to get 1 point
- Defending team aims to win the ball and play to a neutral to then aim to grab a point.
- Play restart with neutral playing to team in possession

Progressions/Regression:

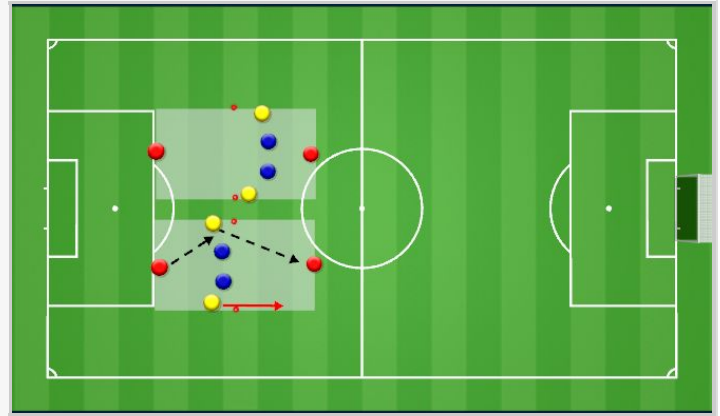

- Point for the defending team if they can force the attacking team to play to the same neutral
- 3v2+1 neutral w/ added mini goal to score
- 2v3+1

Coaching:

- Prevent forward play at all times - (Where can we direct the opposition?, How can we delay the opposition?)
- Trap the opposition somewhere that makes play predictable to win the ball (When is the right time to go and win the ball?)
- If we know we can win the ball, what can we do in that moment to ensure we win it (Be crazy and win the ball)

Water Break:

Duration 4-6 minutes

Small Sided Games (30 mins)

Small Game Tournament

Area - 20 yards by 20 yards

Time - 3 min for pool games, semi's and final

Focus - Defending

Rules:

- Divide into 4 teams, run as a world cup
- 3 points for a win, 1 point for a draw, bonus point for a cleansheet and any other outstanding behaviour.
- Kick in or dribble in on the side.
- Anytime the ball is in the field, it can be stolen.

Coaching:

- Do reinforce the focus of the session (defending)
- Ensure the team coming on enter to defend right away
- Create a tournament environment
- Get a team picture with the winners
