Category: Academy: Finish the attack

Difficulty: Moderate

Liam Mulcahy, Brisbane, Australia

## Description

Main Moment: Final 3rd

Behaviour: Creative decision making to find a goal scoring opportunities

Moments:

When we enter the attacking third

As we deliver into the opposition's box

## Rondo - Score (20 mins)

Rondo - 4v2 - Team Competition

Area - Rectangle shape 16x10m

Time - 3 x 4 minutes with 2 x 30-second Speed Agility

Action - Attacking

Behaviour - Creative Play to score

Organisation - Divide into 2 teams, 2 defenders from each time become defenders in other teams square

Rules:

- Attacking team - Score for 1 point
- Defending team - Win the ball and dribble beyond the top line for 1 point.

Progression: (after 4-minute sets)

- First-time finish is worth double
- Offsides within the attacking half of the rondo

Speed Agility - First Round (Set up 20x20m square with alternative cones (see diagram))

- Agility Square, players are in pairs, the coach shouts a colour and players race and stop on that line (who was the winner?), play 2 or 3 times
- Agility Square, as individuals this time, the coach shouts a colour, the first player wins, do a few double lines to finish play 2 or 3 times

Speed Agility - Second Round

- Agility Square, in pairs the players jog around, when the coach shouts GO, they need to drag their partner out of the square (30 seconds)
- Agility Square, no partners, when the coach shouts GO, drag anyone out of the area (30 seconds)

**Set agility square in your own half of the pitch as above (red, yellow, orange, blue line)**

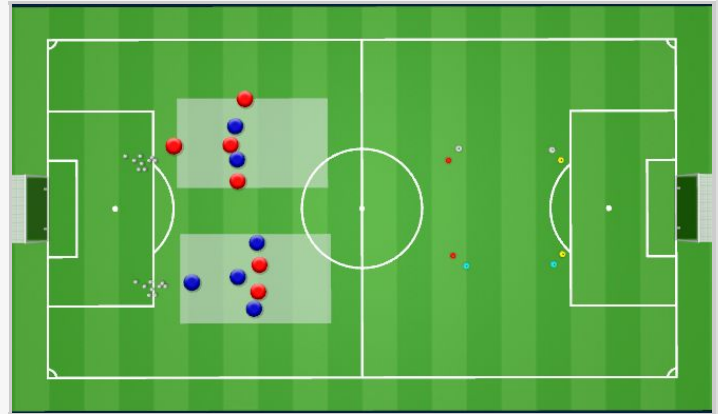

Coaching:

Observe speed of thought (perceive and execution)

Encourage players to disguise their intentions before executing

Water Break:

Duration 4 minutes

## Positional Play (25 mins)

### Positioning Game (4v4+4 (3v3+3 for 7-a-side))

Area - 18 yard area + 3 goals

Time - 12 balls each round (each team has 4/5 rounds)

Action - Attacking

Behaviour - Creative Play to score

Rules:

- Divide the players into three even teams
- Servers (Greens), attackers, defenders, GKs (if Applicable) in goals
- Servers have four balls each and play to attackers to score
- Defenders win the ball and play through a gate to score
- Attackers cannot play back to the servers
- Players have 30 seconds between rounds to reload ball stations
- Servers become attackers, attackers now defenders, defenders to servers

Progression:

- Attackers can play back to servers that can shoot or cross

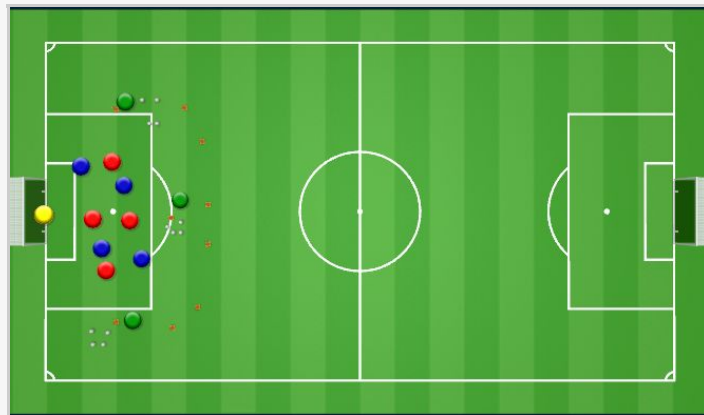

Coaching:

- What do we need to score a goal (clear shooting line) and where to receive if cannot score (clear passing line to score)
- Reinforce players to be creative (risk to score)
- Drive players to shoot and finish off every ball
- Reinforce defensive actions if required (realism)

Water Break

Duration 5 minutes

Discuss with your attacking players how to be ruthless in the final third

## Small Sided Games (30 mins)

### Small-Sided Games 4v4 (Four Teams)

Area - 20 yards by 15 yards

Time - 3-minute games

Action - Attacking

Behaviour - Creative Play

Rules:

King of the court rules. Teams move up or down pitches dependent on if they won or lost. Designate a King Court.

No GK's, play as a sweeper keeper (like match day)

Coaching:

- Encourage players to always be in a goal-scoring positions
- Encourage all players to attack and score goals.
- Make sure players are still performing defensive actions
