

UQFC - U9-U13 - Final 3rd - Session 2

Category: Academy: Finish the attack

Difficulty: Moderate

Liam Mulcahy, Brisbane, Australia

Description

Main Principle: Final 3rd

Behaviour: Creative decision-making to find a goal-scoring opportunities

Why? To overload the opposition area to score; Prevent opposition counterattack

Rondo Games (20 mins)

Rondo - 2v2+2 (Create 6 teams)

Area - Rectangle shape with mini goals either side

Time - 3 x 4 minutes (dynamics & races)

Action - Attacking

Behaviour - Creative play to score

Rules:

- Each game has 2 teams playing each other with the 'resting team' being neutrals to always create a 4v2 (neutral team can score for the team in possession)
- World cup style - 3 points for a win, 1 point for a draw

Progression: (after 4-minute sets)

- First time finish is worth double
- Bonus point for scoring more than 5 goals in a game
- Neutrals cannot score and must always on the side of the field

Dynamics:

- In pairs, paper, rock and scissors move to another person after one match, the first person to beat three people shouts out WINNER

Races:

- Coach led, create a few races with and without the ball in a handful of teams Make this section fun.

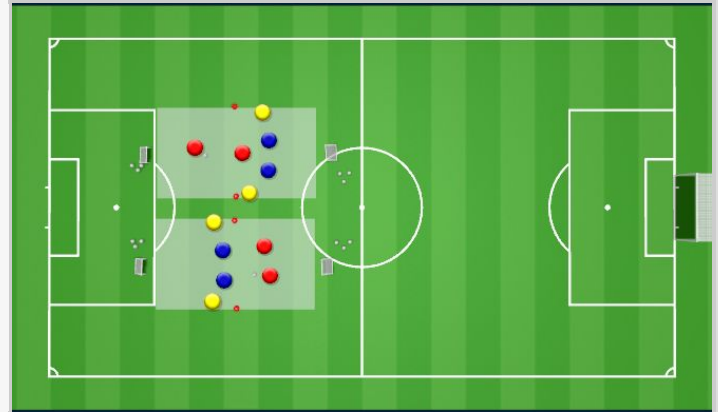

Coaching:

- Between rondo sets, reinforce players finding the ball and scoring (lines)
- Reinforce defensive chasing actions
- Observe the player profile when receiving the ball

Water Break:

Duration 5-minutes

Time for individual player warm-up needs

Positional Play (25 mins)

Half-Court Game

Area - Final 3rd

Time - 25 minutes

Action - Attacking

Behaviour - Creative play to score

Rules:

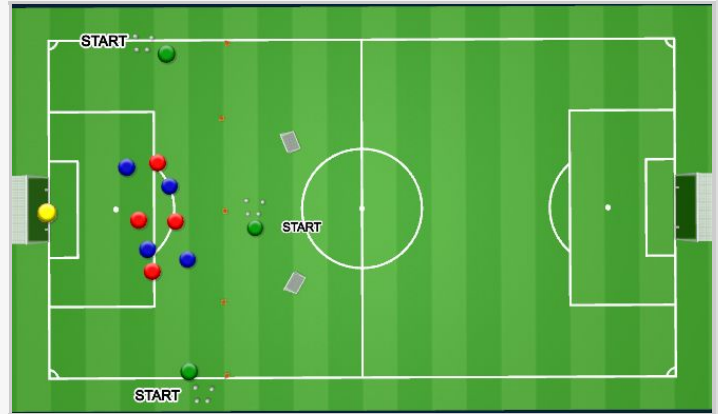

- Divide into 3 teams (Inside and Outside Players)
- 2 teams play on the inside and team in-possession aims to score
- Team out of possession aims to steal the ball and score by either playing the middle neutral or scoring in the two mini goals.
- Neutrals can receive the ball from the team in possession.
- START is the closest neutral to where the ball has gone out.
- Neutral on the opposite side can also join in when the other neutral is crossing the ball to score a goal for the attacking team.

Coaching:

- Where can you receive the ball to score a goal? How can you be creative to then score a goal?
- Where can you receive the ball to help one of your teammates score?
- What might you do if you cannot score ?
- How might you recover and compact to prevent the opposition from scoring?

Water Break:

Duration 5-minutes

Game (30 mins)

Training Game 6v6

Area - half-pitch (from weekend game) with outside channels.

Time - 2 x 12-minute halves with 2-minute rest

Focus - Attacking (box occupation)

Rules:

- Both teams score in the big goals (use 9 aside/7 aside goals)
- Place one player in each wide area (Neutral player)
- Outside players travel with the ball to the goal line and cross quickly
- No one in the attacking team is allowed in the outside area, only defenders can come in to steal the ball.
- In the second half, take out the wide area

Coaching: Do not stop the game

Reinforce the attacking teams box occupation (4/5 players)

React to loss of possession quickly and prevent the counter attack

Encourage players to be creative and to score goals
